

Summit-Waller Community Association

**Board of Directors Meeting
Tuesday, October 1, 2019
Mid-County Community Center
10205 44th Ave E, Tacoma, WA**

Meeting Minutes

Agenda Based

Note

*The monthly SWCA Board of Directors Meeting was **cancelled** for the month of October with respect to our District 5 Pierce County Councilman, Marty Campbell.*

Instead of our usual board meeting, the SWCA along with the Mid-County Community Center's director agreed to a request from Marty Campbell's office to have an evening In-District() Pierce County Council Meeting on Tuesday, October 1 at the Mid-County Community Center.*

The evening Pierce County Council Meeting went very well and was well attended by local citizens.

Both the SWCA and the MCCC were honored to be selected to host this event.

() There are 7 Pierce County Council districts each with its own elected Pierce County Council Representative. It is mandated that once a year there shall be an in-district (out in the community) Pierce County Council meeting in each of the 7 council districts. The County Council Representative in whose district the in-district meeting is being held becomes the honorary chairperson for that council meeting. That makes it special for that representative and his/her constituents.*

Normal Council meetings are held at the multi-story County-City Building in Tacoma, 10th Floor, every Tuesday at 3:00 pm.
