

Summit-Waller Community Association 2023 Goals/Tasks

- Continue to advocate for rural separator preservation and acknowledgment of potential impacts from plans and projects by submitting comment letters and continuing to coordinate with neighboring community associations.
 - Suggest specific changes to the comprehensive plan during the upcoming comment period.
 - Continue to coordinate with the Puyallup Tribe of Indians on land use issues potentially affecting the rural separator
- Continue to push for additional traffic safety features in the Waller Road curve area.
 - South bound flashing curve light request to Marty Campbell (check-in on progress and continue to follow-up)
 - Advocate for the straightening of curve area for increased visibility and safety
- Continue to push for additional traffic safety features along the Vickery Ave corridor.
 - Follow-up with Marty Campbell and Pierce County Office of the County Engineer regarding our previous request
- Continue to request additional street lighting at key intersections.
 - 2021 lighting requests still stands, waiting for installation from previous years
- Continue to work with the Pierce County Council, Pierce County Code Enforcement and community/neighborhood watch groups to resolve and eliminate nuisance properties.
- Continue to track utility box wrap project at key intersections.
 - Assist with branding and installation. Identify additional funding for specific utility boxes for Summit-Waller specific artwork (needs further coordination with county council).
- Hold a semi-annual Adopt-a-Road litter cleanup along Waller Road and continue recruitment efforts for more volunteers.
- Continue to care for Orangegate Park via removing litter and performing trail maintenance.
- Continue to track design/construction activities and provide feedback during stakeholder outreach processes for both the Orangegate Park Master Plan update and the Pipeline Trail project.
- Explore options to support Waller Road Grange visibility
 - Continue to advertise Waller Road Grange board vacancies and volunteer opportunities
- Continue to disseminate information and updates to Summit-Waller residents
 - Develop and distribute annual newsletter spring 2023
 - Hold annual meeting
 - Create a way to track supporting members (roster), past & present, to track dues and improve communications
